

STAYING SAFE WHEREVER YOU GO

Portable Sterilization Companion

Versa

HomeTravel Series | Air+Surface Sterilizers

Experience a higher level of Protection & Safety

Medklinn's Cerafusion™ Sterilization Technology offers a higher level of protection and safety when compared to general sanitization practices, which is important now during this challenging time.

Always ON Safety 24/7.
Keeps you safe & protected,
all day everyday.

#1: Versa protects you, wherever you go.

Tested scientifically to eliminate 99.9% of all known viruses, bacteria, dust mite allergens, moulds and other harmful pollutants in the air, from air conditioners and on surfaces of beds, cushions, curtains and carpets of hotel rooms.

Versa protects you from microscopic dangers, at home or on your travels.

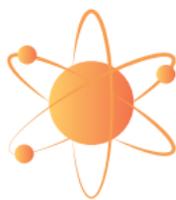

#2: Light. Small. Effective.

Weighs lighter than a tablet - only 220 grams. Comes in two models covering 250 sq ft and 450 sq ft respectively.

#3: Pick any number of extra colours

Versa casing comes in 8 exciting colours. Get additional colours to suit your mood or design.
